Context

On 16 May 2020, Pope Francis and the Dicastery for Promoting Integral Human Development launched both Laudato Si' Week and the subsequent Laudato Si' Special Anniversary Year to celebrate the occasion of the fifth anniversary of the encyclical.

Building on the [success of the 2020 edition](#) of Laudato Si' Week, this new edition¹ will be a **celebration** of the closing of the LS Special Anniversary Year to show just how much things have changed for good. In the last six years, the Church and Catholics worldwide have made significant progress in their ecological conversion journey. We know that much remains to be done, but we **rejoice** and **celebrate** how much has happened so far.

Now, at this pivotal point to which the COVID-19 pandemic has brought us, it is time to offer a **clear roadmap for the decade ahead** - a message reinforced by the creation of the Vatican Covid-19 Commission. At the end of the LS Special Anniversary Year, we will present to the whole Church the living testimony of the Laudato Si' transformations so far, and we will offer a preview of the tool that will help everyone in the next steps of their journey: the **Laudato Si' Action Platform**.

Why is it important?

- To celebrate the sixth anniversary of the encyclical within the framework of the closing of the **LS Special Anniversary Year**. At the same time, it will provide an opportunity to do a **“soft launch” of the Laudato Si' Action Platform** (ahead of the major launch on October 4) that will be accessed [through the Vatican's official Laudato Si' website: www.laudatosi.va](#).
- To **bring key ecclesial partners together** through different actions, events, and to further spread the “Gospel of Creation” through a missionary-like sending.
- To invoke the **Holy Spirit and the Virgin Mary's intercession** over Catholic efforts to care for creation and to involve contemplative orders to pray for it.

¹ Earlier editions took place in 2016 and 2020, to celebrate the 1st and 5th anniversaries. The goal isn't to organize the LS Week on an annual basis, but just on special occasions.

Who will organize it?

Similar to the successful [2020 edition](#) of Laudato Si' Week, it is proposed that the Dicastery for Promoting Integral Human Development serve as the main sponsor of the celebration, with Global Catholic Climate Movement serving as the facilitator of a group of over 150 Catholic partners participating in the initiative. The Dicastery's Ecology and Creation sector and GCCM will create the program and speakers list, and GCCM will take care of all logistical needs.

How will it work?

Laudato Si' Week will be a week of celebration, action, and testimony. Replicating the successful format of the 2020 edition, the program will have two tracks: the **official program** and decentralized **side events**.

Official Program:

All the events will be simultaneously translated to English, Spanish, Italian, Portuguese, Polish and French.

Sunday, 16 May. 12 PM CET Papal Angelus remarks

It is proposed that Pope Francis' Angelus remarks include a reference to the opening of LS Week the following day and the overall LS Special Anniversary Year that is coming to an end.

Monday, 17 May. 7 PM CET Laudato Si Dialogue: Critical Opportunities in 2021 to create change: call for an integral path.

Sponsored by: CIDSE, CAFOD and GCCM

The cultural festival “**Songs for Creation**” will present biodiversity lost in the world and its consequences, focusing on the **biodiversity problems** in the artists’ and musicians’ regions.

Given the complexity of the ecological crisis and its multiple causes, we need to realise that the solutions will not emerge from just one way of interpreting and transforming reality. Respect must also be shown for the various cultural riches of different peoples, their art and poetry, their interior life and spirituality (LS #63)

During the event, the **Vatican’s message for World Biodiversity Day** will be spotlighted, the winners of the photo contest [Laudato Si Moment](#) will be announced, and winners of the [Laudato Si Story Contest](#) will be presented.

- **Moderator: Lucia Capuzzi, Avvenire**

Artists and guests:

- Msgr. **Bruno Marie Duffé**. Secretary at the Vatican Dicastery for Promoting Integral Human Development.

12 PM CET Papal Angelus remarks

It is proposed that Pope Francis' Angelus remarks include a reference to the LS Week asking for the Holy Spirit to descend over the Laudato Si Animators and other pastoral agents who work to announce the "gospel of creation" and take care of our common home.

3 PM CET (Pentecost). Laudato Si' Special Anniversary Year Closing Praying Gathering / Missionary Sending

Outline: 60 minutes

Language: English

It is proposed that **Pope Francis' Angelus** remarks include a reference to the closing of the LS Week and LS Year, calling on the Holy Spirit to guide the Church's efforts to care for our common home.

Taking advantage of the date's providential Pentecost timing, we will celebrate a closing **Praying Gathering from Assisi and Rome** to express our gratitude to God our Creator and ask for assistance in the work to come. On this feast of Pentecost, in which we also celebrate the beginning of the Church, we want to make a missionary-like sending of local Laudato Si' Animators and other pastoral agents, so that they may go and announce "the Gospel of Creation" (LS chapter 2) in every corner of the globe. Given the evangelisation theme, **the celebration will be led by Cardinal Tagle.**

- Moderator:
- **His Eminence Cardinal Luis Antonio Tagle**, Prefect of the Congregation for the Evangelization of Peoples.
- **Msgr. Domenico Sorrentino**, Bishop of Assisi-Nocera Umbra-Gualdo Tadino
